Percent DEPARTMENT OF STATE

Office of Defense Trade Controls
[Public Notice 1868]

Statutory Debarment Under the International Traffic in Arms Regulations

AGENCY: Department of State.
ACTION: Notice.

SUMMARY: Notice is hereby given of which persons have been statutorily debarred pursuant to § 127.7(c) of the International Traffic in Arms Regulations (ITAR) (22 C.F.R. parts 120-130).

EFFECTIVE DATE: September 27, 1993.

FOR FURTHER INFORMATION CONTACT: Clyde G. Bryant Jr., Chief, Compliance and Enforcement Branch, Office of Defense Trade Controls, Department of State (703-875-6650).

SUPPLEMENTARY INFORMATION: Section 38(g)(4)(A) of the Arms Export Control Act (AECA), 22 U.S.C. 2778, prohibits export licenses to be issued to a person, or any party to the export, who has been convicted of violating certain U.S. criminal statutes, including the AECA. The term "person," as defined in § 120.14 of the International Traffic in Arms Regulations (ITAR), means a natural person as well as a corporation, business association, partnership, society, trust, or any other entity, organization or group, including governmental entities. The ITAR, specifically § 126.7(e), defines the term "party to the export" to include the president, the chief executive officer, and other senior officers and officials of the license applicant; the freight forwarders or designated exporting agent of the license applicant; and any consignee or end-user of any item to be exported. The statute permits certain limited exceptions to this prohibition to be made on a case-by-case basis. 22 U.S.C. 2778(g)(4).

The ITAR § 127.7, authorizes the Assistant Secretary of State for Political-Military Affairs to prohibit certain persons convicted of violating or conspiring to violate, the AECA, from participating directly or indirectly in the export of defense articles or in the furnishing of defense services. Such a prohibition is referred to as a "statutory debarment," which may be imposed on the basis of judicial proceedings that resulted in a conviction for violating, or of conspiring to violate, the AECA. See 22 CFR 127.7(c). The period for debarment will normally be three years from the date of conviction. At the end of the debarment period, licensing

privileges may be reinstated at the request of the debarred person following the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction, and a finding that appropriate steps have been taken to mitigate any law enforcement concerns, as required by the AECA, 22 U.S.C. 2778(g)(4).

Statutory debarment is based solely upon a conviction in a criminal proceeding, conducted by a United States court. Thus, the administrative debarment procedures, as outlined in the ITAR, 22 CFR part 128, are not applicable in such cases.

The Department of State will not consider applications for licenses or requests for approvals that involve any person or any party to the export who has been convicted of violating, or of conspiring to violate, the AECA during the period of statutory debarment. Persons who have been statutorily debarred may appeal to the Under Secretary for International Security Affairs for reconsideration of the ineligibility determination. A request for reconsideration must be submitted in writing within 30 days after a person has been informed of the adverse decision. 22 CFR 127.7(d).

The Department of State policy permits debarred persons to apply for an exception one year after the date of the debarment, in accordance with the AECA, 22 U.S.C. 2778(g)(4)(A), and the ITAR, § 127.7. This request is made to the Director of the Office of Defense Trade Controls. Any decision to grant an exception can be made only after the statutory requirements under section 38(g)(4) of the AECA have been satisfied. If the exception is granted, the debarment will be suspended.

Pursuant to the AECA, 22 U.S.C. 2778(g)(4)(A), and the ITAR, 22 CFR 127.7, the Assistant Secretary for Political-Military Affairs has statutorily debarred four persons who have been convicted of conspiring to violate and violating the AECA.

These persons have been debarred for a three-year period following the date of their conviction, and have been so notified by a letter from the Office of Defense Trade Controls. Pursuant to ITAR, § 127.7(c), the names of these persons, their offense, date of conviction(s) and court of conviction(s) are hereby being published in the *Federal Register*. Anyone who requires additional information to determine whether a person has been debarred should contact the Office of Defense Trade Controls.

This notice involves a foreign affairs function of the United States

encompassed within the meaning of the military and foreign affairs exclusion of the Administrative Procedure Act. Because the exercising of this foreign affairs function is discretionary, it is excluded from review under the Administrative Procedure Act.
