

## **Hispano Suiza Regulation Systems Division changes name to Snecma SA**

Effective February 1, 2009, Hispano Suiza Regulation Systems Division was acquired and will change its name to Snecma SA. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying Hispano Suiza Regulation Systems will not require an amendment to reflect the change in name. A copy of this website notice must be attached to the currently approved license by the license holder.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

Pending authorizations received by DDTC identifying Hispano Suiza Regulation Systems Division as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after June 2, 2009, identifying Hispano Suiza Regulation Systems Division as a party to the license will be considered for return without action for correction to the new name.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such
