

## **Northrop Grumman Space & Mission Systems Corporation (NGS&MSC) and Northrop Grumman Information Technology, Inc. (NGIT) to Northrop Grumman Systems Corporation**

Effective December 31, 2009, Northrop Grumman Space & Mission Systems Corporation (NGS&MSC) and Northrop Grumman Information Technology, Inc. (NGIT) to Northrop Grumman Systems Corporation. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying NGS&MSC and/or NGIT will not require an amendment to reflect the name change to Northrop Grumman Systems Corporation. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending DSP authorizations received by DDTC identifying NGS&MSC and/or NGIT as a party to license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **February 1, 2010**, identifying NGS&MSC and/or NGIT as a party to the license will be considered for return without action for correction to the new name.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect these name changes. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such within 30 days of execution.

Pending agreements applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The
