NASA POC in DDTC Issued Provisos

Effective January 1, 2013, the Export Administrator at Headquarters, National Aeronautical and Space Administration (NASA) is changing. Any applicant with DDTC issued export authorizations or other approvals which references NASA need to take note of the new POC information:

David T. Flynn
Voice; 202-358-1792
Fax: 202-358-4080
David.Flynn@nasa.gov

All authorizations which contain contact information or the prior NASA Export Administrator remain valid and do not need to be replaced.

Any questions or concerns regarding this web notice should be directed to the DDTC Response Team at 202-663-1282 or PM-DDTC-Response-Team-DL@state.gov.
