

Thales Alenia Space North America Changing to Thales USA, Inc.

Effective immediately, Thales Alenia North America will change as follows: Thales USA, Inc. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistance Secretary of Defense Trade Controls, Bureau of Political Military Affairs is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations. The amendment waiver does **not** apply to approved or pending agreements.

All currently approved DSP authorizations identifying Thales Alenia Space North America will not require an amendment to reflect the change to Thales USA Inc. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying Thales Alenia Space North America as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after April 30, 2014 identifying Thales Alenia Space North America as a party to the license may be returned without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

All currently approved agreement held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
